

Direct Deposit Authorization Form

In lieu of a paper check, you may voluntarily choose to receive your pay by direct deposit. Direct deposit allows your pay to be deposited on each payday directly into your existing account, for immediate availability and access. You may direct your pay into up to three accounts, if desired, by providing the information below and a voided personal check for each account.

By signing below, I select direct deposit for disbursement of my pay. I hereby authorize Next Wave Payroll Solutions, LLC ("NWPS") to initiate deposits for my net pay and authorize the participating financial institution(s) indicated below to credit the account(s) also indicated below with the deposits.

If funds to which I am not entitled are deposited to my account(s), I authorize debits to my account(s) and the return of such funds. This authority is to remain in effect until Next Wave Payroll or each financial institution identified below has received notification from me of its termination in such time and such manner as to afford Next Wave Payroll and each such financial institution a reasonable opportunity to act on it or until Next Wave Payroll or each such financial institution cancels the agreement. *I have attached a voided personal check for each account identified below.*

Signature

Date

Sign and date in the appropriate section above then complete info below and attach a voided check (if enrolling in direct deposit).
